

NORTHBROOK COUNTRY CLUB 2010 JUNIOR GOLF ACADEMY

It's golf season once again and NorthBrook Country Club is offering its Junior Golf Academy to those juniors looking to improve their game or just out to have a good time.

This year there will be a few changes that I hope will make the program more beneficial to the juniors and their parents. First off we will be moving lessons from Monday to Friday. Secondly, instead of golfing after the lessons, we will be giving out a 6 round punch card (9 holes) to each junior. They'll be able come out and play for free after 4pm any day with an adult. The adult will be able to play for the discounted rate of \$9. This way the children are able to get out more, and help promote an affordable family activity.

Fees:

Member or stockholder	\$60
